As shown in the Test Report No. : 708882502191-01

The EUT described above has been tested and found in compliance with the European Parliament and Council EMC Directive 2014/30/EU. It is possible to use CE marking to demonstrate the compliance with this EMC Directive. The certificate applies to the tested samples above mentioned only and shall not imply an assessment of the whole production.

Test Report No.

The submitted sample of the above equipment has been tested for CE marking according to the following European Directive and Standard: Low Voltage Directive 2014/35/EU. The referred test report shows that the product complies with standards recognized as giving presumption of compliance with the essential requirements in the specified European Directive. This verification does not imply assessment of the production of the product. The CE marking may be affixed if all relevant and effective European Directives with CE are applicable.

Test Report No.

The EUT described above has been tested by us with the listed standards and found in compliance with the Council Directive 2011/65/EU and its amendment directives (EU) 2015/863. It confirms that the listed product complies with all essential requirements of the ROHS Directive and applies only to the sample and its technical documentation mentioned below. The certificate applies to the tested samples above mentioned only and shall not imply an assessment of the whole production.
